

C.A.R. "PERENNIAL BLOOM" AWARD Honoring Long-Time Garden Club Members

Many of our best loved flowers are perennials that spring up afresh year after year, making an outstanding contribution to the beauty of our gardens.

We, in our Garden Clubs, have been privileged to have long time members who, like the faithful perennials in our gardens, have made our clubs grow and bloom with their continuous support of our goals and objectives.

Serving as officers and chairmen over the years, their love of gardening has planted many a seed for garden club programs and events, while their contagious, enthusiastic leadership has inspired members to nurture these seeds into successful bloom. In grateful appreciation for their years of support, this "Perennial Bloom" Award is to be presented to them and a tree or shrub is to be planted in their honor.
